

DIN RAIL - OUT: 1

POWER SUPPLIES

High Quality Power:

The DIN Rail PS OUT:1 Range offers 4 different power supplies adapted to different power/current needs. All them robust and with electronic output protection against surge and short-circuit issues.

All ones are designed for DIN rails and boxes to facilitate their installation and include a LED to have a better output control.

FEATURES

- DIN RAIL - Out: 1
- 2 years warranty

SPECIFICATIONS

	PS 12V12W (1A)	PS 12V 24W (2A)	PS 12V60W (5A)	PS 24V70W (3A)
Version	DIN-RAIL (Electronic)			
DIN rail or Wall Mount	Yes			
Voltage	13.8V DC	27.6V DC	13.8V DC	27.6V DC
Power / ~ Current	12W / 1A	24 W / 2A	60W / 5A	70W / 3A
Protection	Electronic output protection, no fuse, auto-reset			
Output control	LED			
Norms	CE 89/336/EEC, EN61000-3-2, EN61000-3-3, EN61000-6-4, EN50130-4, RoHS
